What the arise program has done for me

The arise program is a wonderful opportunity to build community.

As we gather together to freely share our life stories and what Christ has done for each one of us, we bring forth the experience on our journey.

When my brothers and sisters in Christ prayed with me, I felt God's presence, the peace, the warmth and His love surround me.

In praying together, it has brought a bond among us as a group. I believe this is the body of Christ coming together as church.

In sharing our faith and revealing what Christ has done for each and every one of us has increased my faith and made me more sensitive to His presence. This is the strength of the church and its foundation. It gives us a glimpse of who God really is, and how he communicates to each one of us in our needs and our struggles.

As Jesus ascended into heaven, did he not say, "Go tell everyone the good news" (what the Lord has done)?

All are invited, come and see the glory of God.

The church is alive and well.

Your sister in Christ,
Marie Vautour
To God be all the glory.
