### **DO YOU WEAR A HEARING AID, BUT STILL CAN'T HEAR WELL DURING MASS ?**

The parish is investigating a system that could enhance the ability of parishioners who wear hearing aids to hear the Mass better. Your hearing aid must have a **telecoil**, which we are told 80% of hearing aid models come with - you can confirm with your supplier if yours has this feature. Unfortunately, only the St.Kevin's church is a suitable candidate for this type of system.

We would like to know how many parishioners this system could potentially help, so if you are a wearer of a hearing aid, and attend masses at St.Kevin's, we would appreciate a call into the office to let us know (705-969-3669). Please leave your name & phone #.

### **REACTIVATING the CHURCH BUILDING COMMITTEE**

In these financially challenging times, an active and functioning Building Committee is crucial to keeping our parish viable. The Building Committee members will assist the pastor in overseeing & planning for activities associated with the operation, maintenance, safety and security of all our buildings, grounds, furnishings and equipment, except items expressly the responsibility of another committee.

We know that many parishioners have building experience from former roles inside & outside of the church, and hope that they will want to share their time, skills & knowledge for this important role. If you are interested, please speak to Fr. Rex, or call the office to leave your name and contact information.

Thank you for your consideration.

### **BREAD & ROSES FOOD BANK, Capreol**

On behalf of the Bread and Roses food bank we would like donations of rice/rice-a-roni, tuna and cereal for the month of October. Items can be purchased at Foodland and a box is in the store for your items, or you can drop them off at Trinity United Church on Wed. or Friday morning between 9:30 and 11 am. A box has also been placed at the main entrance in the OLP lower foyer to accept your donations.

## Society of St.Vincent de Paul - St. Kevin's Conference

The Gospel today is a great example of saying, "actions speak louder than words."

**As you put your gift in the Society of St. Vincent de Paul's poor box, know that you are putting your faith into action.**

### **Holy Rosary Month - Come Pray With Us**

During the month of October, Mary is specially honoured around the world. St.Kevin's CWL members invite all parishioners to join them at the church to pray the Rosary after each of the 9:30am weekday masses (Tuesdays & Thursdays at OLP in Capreol, and Wednesdays & Fridays at St.Kevin's in Val Therese).

Come pray with us. "Where two or three are gathered in my name, there also I will be." *Matthew 18:20*

## **Faith Sharing**

You are invited to join us for coffee and reflection on the Sunday Gospels. **Friday mornings at 10:00 a.m. at the St Kevin site.**

**FOLLOWING CHRIST** is a seven-week course in basic Catholic discipleship. This program is a follow-up to the Discovering Christ program which was held last winter.

The goal of the course is to help those who have discovered Christ to grow in their relationship with the Lord Jesus.

By the grace of God, this is accomplished by praying together, teaching and supporting one another in taking up some of the basic disciplines and truths that have been practiced by Christians from the time of the early Church.

The course consists of seven sessions and a retreat day . Each session includes 1) prayer, 2) teaching, and 3) small group discussion. A typical session lasts 2 hours.

## JUNCTION CREEK CLEAN UP - VOLUNTEERS REQUESTED

Our Federation of Sisters of St. Joseph committed ourselves to the protection of water and water resources by joining the Blue Community in 2017. Three main goals that we pledge ourselves to are:

1. Eliminating of the use of plastic bottled water wherever possible,
2. The human right to water and sanitation, and
3. The promotion of keeping water and wastewater services “community-run” and not-for-profit.

We will all have heard of Pope Francis' encyclical, Laudato Si, which focuses on the care of our environment. The Laudato Si committee has declared the five weeks of September 1 to October 4 as a "Season of Creation," a time to reflect and do some activity for our planet.

So our request is that we have some volunteers from our Catholic Community to join us in an activity on **Saturday, October 21st** to clean up a portion of Junction Creek. If you are physically able, we would welcome your help. We are also asking you to spread the word to your children and grandchildren. Students are able to use this time as part of their community service hours.

The Junction Creek Stewardship Committee will supply the garbage bags, and gloves, so we need to know the number of volunteers by October 7, 2023... SEE POSTER on next page.

**Twenty Sixth Sunday in Ordinary Time**

**Universal Prayers**

**October 1, 2023**

For the Church: that we may more and more put on the attitude of Christ and empty ourselves into God's loving care and the service of others.

We pray to the Lord.

For us gathered here in communion with Christian communities throughout the world: that by tasting the goodness of the Lord that comes to each one in the body and blood of Jesus, we may receive from him a fresh view of our neighbor and be made witnesses to generosity in the world in which we live.

We pray to the Lord.

That this Eucharistic assembly may always and eagerly welcome those marginalized in our society.

We pray to the Lord.

For world leaders: that God will give them wisdom in developing policies so that all may have food, shelter and live in safety.

We pray to the Lord.

For the sick and suffering members of our Parish family, and most especially for those who have been commended to our prayers through our Parish Prayer Ministry.

We pray to the Lord.

For our brothers and sisters who have died in Christ, and for the family members and friends who mourn their passing and await their rising.

We pray to the Lord.

## Being Emptied

FR. JOSEPH JUKNIALIS

In his book *All I Really Need to Know I Learned in Kindergarten*, Robert Fulghum lists those basic qualities that enable us to negotiate the rest of life somewhat successfully. It's what you might expect the curriculum of kindergarten to be about: being kind, saying you're sorry, getting along with others, and sharing. In short, what we learned in kindergarten is about putting others' needs ahead of our own comfort. It's a kind of emptying of our selfishness that seems to take place.

Unfortunately, the process isn't finished by the time we reach adulthood. We still tend to hoard, slam one another with insults, cheat in business, and neglect to apologize. In spite of that extended learning curve

that seems to take place, we slowly do take on those attitudes noted by Fulghum. Marriage can smooth our rough edges. Children's needs call for self-sacrifice. Aging tends to mellow us. And somewhere along the line we learn that talking things out works better than hitting.

Saint Paul encouraged the Philippians to take on the attitude of the Lord Jesus, who emptied himself for our sake. Still, I think much of that emptying takes place in us unconsciously. Some would say it is simply the process of life. Maybe, but then again it may be the gentle hand of God. Saint Teresa of Calcutta is said to have commented that even God can't fill what is already full. So then maybe that emptying is God's way of making room for God. ●

**Humbly regard others  
as more important  
than yourselves, each  
looking out not for his  
own interests, but [also]  
everyone for those  
of others.**

**PHILIPPIANS 2:3B–4**

### Reflect

***Since kindergarten, have you become better at putting others first? What do you still need to work on?***
